(CORRIGENDUM).

Refer to N.I.T issued vide this office letter No.1025/5-M dated 09/07/2025.

Due to technical mistake of clicking Pre-qualification button instead of Pre-bid button, while processing the tenders on “EPAD system” the system did not respond to contractors.

Hence, this corrigendum is issued to make following amendments/changes to the original N.I.T that the date of opening of bids may be read as 18/08/2025 and 19/08/2025 instead of 30/07/2025 and 01/08/2025.

All terms and conditions of the original N.I.T will remain unchanged. Bidders are requested to take notice of these amendments and submit their bids accordingly.
