Section 2. Information to Consultants - Data Sheet

2. Introduction

2.1 The Procuring Entity named in the Data Sheet will select a consulting firm/organization (the Consultant) from those listed in the Letter of Invitation, in accordance with the method of selection specified in the Data Sheet.

2.2 The eligible Consultants (shortlisted if so) are invited to submit a Technical Proposal and a Financial Proposal, or a Technical Proposal only, as specified in the Data Sheet. The Proposal will be the basis for contract negotiations and ultimately for a signed Contract with the selected Consultant.

2.3 Consultants should familiarize themselves with rules / conditions and take them into account while preparing their Proposals. Consultants are encouraged to attend a pre-proposal conference if one is specified in the Data Sheet. Attending the pre-proposal conference is, however optional. Consultants may liaise with procuring Entity's representative named in the Data Sheet for gaining better insight into the assignment.

2.4 Consultants shall bear all costs associated with the preparation and submission of their proposals and contract negotiation. The Procuring Entity reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Consultants.

2.5 Procuring Entity may provide facilities and inputs as specified in Data Sheet.

3. Conflict of Interest

3.1.1 Consultants are required to provide professional, objective, and impartial advice and holding the Procuring Entity interest Paramount. They shall strictly avoid conflict with other assignments or their own corporate interest. Consultants have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of the Procuring Entity, or that may reasonably be perceived as having such effect. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract

3.1.2 Without limitation on the generality of the foregoing, Consultants, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances set forth below:

- (i). A consultant that has been engaged by the procuring Entity to provide goods, works or services other than

Consulting services for a project, any of its affiliates, shall be

Section 2. Information to Consultants - Data Sheet

disqualified from providing consulting services related to those goods, works or services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, any of its affiliates, shall be disqualified from subsequently providing goods or works or services other than consulting services resulting from or directly related to the firm's consulting services for such preparation or implementation.

(ii). A Consultant (including its Personnel and Sub Consultants) or any of its affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant to be executed for the same or for another Procuring Entity.

(iii). A Consultant (including its Personnel and Sub Consultants) that has a business or family relationship with a member of the Procuring Entity's staff who is directly or indirectly involved in any Part of (i) the preparation of the Terms of Reference of the

Assignment, the selection process for such assignment, or

(iii) supervisions of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved.

3.2 Government officials and civil servants may be hired as consultants only if:

- (i) They are on leave of absence without Pay;
- (ii) They are not being hired by the Entity they were working for, six months prior to going on leave; and
- (iii) Their employment would not give rise to any conflict of interest.

It is Government's policy that Consultants under the contract(s), observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy, the Procuring Entity follows the instructions contained in Khyber Pakhtunkhwa Public procurement Rules 2014 which defines:

Conflicting Relationships

4. Fraud and Corruption

"corrupt and fraudulent practices" includes the offering, giving, receiving, or soliciting, directly or indirectly of anything of value to influence the act of another Party for wrongful gain or any act or omission, including misrepresentation, that knowingly or recklessly misleads or attempt mislead a Party to obtain a financial or other benefit or to avoid an obligation;

Under Rule 44 of KPPR 2014, "The PE can inter-alia blacklist Bidders found to be indulging in corrupt or fraudulent practices.

Section 2. Information to Consultants - Data Sheet

10. Clarification and Amendment in RFP
- Such barring action shall be duly publicized and communicated to the KPPRA. Provided that any supplier or contractor who is to be blacklisted shall be accorded adequate opportunity of being heard".
- Pursuant to section 16(2)(3) of KPPRA Act 2012 Consultant undertakes to sign an Integrity Pact in accordance with prescribed format attached hereto for all the procurements estimated to exceed Rs. 2.5 million. (Annex- A)
5. Integrity Pact
6. Eligible Consultants
- 6.1 If short listing process has been undertaken through REOI, as outlined under Rule 25 and 26 of KPPR 2014 for the Contract(s) for which these RFP documents are being issued, those firms - in case of Joint Ventures with the same Partner(s) and Joint Venture structure - that had been pre-qualified are eligible.
- 6.2 Short listed consultants emerging from request of expression of interest are eligible.
7. Eligibility of Sub Consultants
8. Only One Proposal
- A shortlisted Consultant would not be allowed to associate with Consultants who have failed to qualify the short-listing process.
- Shortlisted Consultants may only submit one proposal. If a Consultant submits or participates in more than one proposal, such proposals shall be disqualified. Participation of the same Sub Consultant, including individual experts, to more than one proposal is not allowed.
9. Proposal Validity
- 9.1 The Data Sheet indicates that Proposals validity shall not be more than 90 days in case of National Competitive Bidding (NCB) and 120 days in case of International competitive Bidding (ICB). During this Period, Consultants shall maintain the availability of Professional staff nominated in the Proposal. The Procuring Entity will make its best effort to complete negotiations within this period. Should the need arise; however, the Procuring Entity may request Consultants to extend the validity period of their proposals. Consultants who agree to such extension shall confirm that they maintain the availability of the Professional staff nominated in the Proposal, or in their confirmation of extension of validity of the Proposal, Consultants may submit new staff in replacement, who would be considered in the final evaluation for contract award. Consultants who do not agree have the right to refuse to extend the validity of their Proposals.

Section 2. Information to Consultants - Data Sheet

10.1 Consultants may request for a clarification of contents of the bidding document in writing, and procuring Entity shall respond to such queries in writing within three calendar days, provided they are received at least eight calendar days prior to the date of opening of proposal. The procuring Entity shall communicate such response to all Parties who have obtained RFP document without identifying the source of inquiry. Should the PE deem it necessary to amend the RFP as a result of a clarification, it shall do so.

10.2 The Procuring Entity may amend the RFP five days before the closing date by issuing an addendum/ corrigendum in writing. The addendum shall be sent to all Consultants and will be binding on them. Consultants shall acknowledge receipt of all amendments. To give Consultants reasonable time in which to take an amendment into account in their Proposals the Procuring Entity may, if the amendment is substantial, extend the deadline for the submission of Proposals.

11. Preparation of Proposals

11.1 In preparing their Proposal, Consultants are exacted to examine in detail the documents comprising the RFP. Material deficiencies (deviation from scope, experience and qualification of Personnel) in providing the information requested may result in rejection of a Proposal.

11.2 The estimate number of professional staff months or the budget required for executing the assignment should be shown in the data sheet, but not both. However, proposal shall be based on the professional staff month or budget estimated by the consultant.

12. Language

The Proposal as well as all related correspondence exchanged by the Consultants and the Procuring Entity shall be written in English. However it is desirable that the firm's Personnel have a working knowledge of the national and regional languages of Islamic Republic of Pakistan.

13. Technical Proposal Format and Content

13.1 While preparing the Technical Proposal, consultants must give Particular attention to the following:

(i) If a consultant considers that it does not have all the expertise for the assignment, it may obtain a full range of expertise by associating with individual consultant(s) and/or other firms or entities in a joint venture or sub-Consultancy, as appropriate. The international consultants are encouraged to seek the Participation of local consultants by entering into a joint venture with, or subcontracting Part of the assignment to, national consultants.

(ii). For assignments on a staff-time basis, the estimated

Section 2. Information to Consultants - Data Sheet

number of professional staff-months is given in the Data Sheet. The proposal shall, however, be based on the number of professional staff-months estimated by the firm. For fixed-budget-based assignments, the available budget is given in the Data Sheet, and the Financial Proposal shall not exceed this budget.

(iii) It is desirable that the majority of the key professional staff proposed be Permanent employees of the firm or have an extended and stable working relationship with it.

(iv). Proposed professional staff must, at a minimum, have the experience indicated in the Data Sheet, preferably working under similar geographical condition.

(v). Alternative professional staff shall not be proposed, and only one curriculum vitae (CV) shall be submitted for each position.

13.2 The Technical Proposal shall provide the following information using the attached Standard Forms (Section 3):

(i) A brief description of the consultant organization and an outline of recent experience on assignments (Section 3B) of a similar nature. For each assignment, the outline should indicate, *inter alia*, the profiles of the staff, duration of the assignment, contract amount, and firm's involvement.

(ii) Any comments or suggestions on the Terms of Reference and on the data, a list of services, and facilities to be provided by the PE (Section 3C).

(iii) The list of the proposed staff team by specialty, the tasks that would be assigned to each staff team member, and their timing (Section 3E).

(iv) CVs recently signed by the proposed professional staff and the authorized representative submitting the proposal (Section 3F). Key information should include number of years working for the consultant and degree of responsibility held in various assignments during the last (PE may give number of years as Per their requirement) years.

(v) Estimates of the total staff input (professional and support staff; staff time) needed to carry out the assignment, supported by bar chart diagrams showing the time proposed for each professional staff team member (Sections 3E and 3G).

(vi). A detailed description of the proposed methodology, work plan for Performing the assignment, staffing, and monitoring of training, if the Data Sheet pacifies training as a major component of the assignment (Section 3D).

(vi) Any additional information requested in the Data Sheet.

Section 2. Information to Consultants - Data Sheet

13.3. The Technical Proposal shall not include any financial information.

14. Financial Proposals

14.1 The Financial Proposal shall be prepared using the attached Standard Forms (Section 4). It shall list all costs associated with the assignment, including (a) remuneration for staff (in the field and at the Consultants' office), and (b) reimbursable expenses indicated in the Data Sheet (if applicable). Alternatively, Consultant may provide their own list of cost. If appropriate, these costs should be broken down by activity. All activities and items described in the Technical Proposal must be priced separately; activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items.

15. Taxes

15.1 The Consultant will be subject to all admissible taxes including stamp duty and service charges at a rate prevailing on the date of contract agreement unless exempted by relevant tax authority.

16. Submission, Receipt, and Opening of Proposals

16.1 Proposal shall contain no interlineations or overwriting. Submission letters for both Technical and Financial Proposals should respectively be in the format of TECH-1 of Section 3, and FIN-1 of Section 4. All Pages of the original Technical and Financial Proposals will be initialed by an authorized representative of the Consultants (Individual Consultant). The authorization shall be in the form of a written power of attorney accompanying the Proposal

16.2 All required copies of the Technical Proposal are to be made from the original. If there are discrepancies between the original and the copies of the Technical Proposal, the original governs.

16.3 The original and all copies of the Technical Proposal shall be placed in a sealed envelope clearly marked "Technical Proposal" Similarly, the original Financial Proposal (if required under the selection method indicated in the Data Sheet) shall be placed in a sealed envelope clearly marked "Financial Proposal" followed by name of the assignment, and with a warning "Do Not Open With The Technical Proposal" If the Financial Proposal is not submitted in a separate sealed envelope duly marked as indicated above, this will constitute grounds for declaring the Proposal non-responsive.

16.4 The Proposals must be sent to the address indicated in the Data Sheet and received by the PE no later than the time and the date indicated in the Data Sheet, or any extension to this

Section 2. Information to Consultants - Data Sheet

date. Any proposal received by the PE after the deadline for submission shall be returned unopened. In order to avoid any delay arising from the postal or PE's internal dispatch workings, Consultants should ensure that proposals to be sent through couriers should reach a day before the deadline for submission.

17. Proposal Evaluation

17.1 From the time the Proposals are opened to the time the Contract is awarded; the Consultants should not contact the PE on any matter related to its Technical and/or Financial Proposal. Any effort by Consultants to influence the PE in the examination, evaluation, ranking of Proposals, and recommendation for award of Contract may result in the rejection of the Consultants' Proposal.

Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

18. Evaluation of Technical Proposals

18.1 The evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria, sub-criteria, and point system specified in the Data Sheet. Each responsive Proposal will be given a technical score (St). A Proposal shall be rejected at this stage if it fails to achieve the minimum technical score indicated in the Data Sheet.

In the case of Quality-Based Selection, Selection Based on Consultant's Qualifications, and Single-Source Selection, the highest ranked consultant or firm selected on a single-source basis is invited to negotiate its proposal and the contract on the basis of the Technical Proposal and the Financial Proposal submitted.

Public Opening and Evaluation of Financial Proposals: (LCS, QCBS, and Fixed Budget Selection Methods Only)

18.2 After the technical evaluation is completed, the PE shall notify in writing Consultants that have secured the Minimum qualifying marks, the date, time and location, allowing a reasonable time, for opening the Financial Proposals. Consultants' attendance at the opening of Financial Proposals is optional.

Financial proposals of those consultants who failed to secure minimum qualifying marks shall be returned unopened.

Section 2. Information to Consultants - Data Sheet

19. Evaluation of Financial Proposals

19.1 Financial Proposals shall be opened publicly in the presence of the Consultants' representatives who choose to attend. The name of the Consultants and the technical scores of the Consultants shall be read aloud. The Financial Proposal of the Consultants who met the minimum qualifying mark will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall be then opened, and the total prices read aloud and recorded. Copy of the record shall be sent to all Consultants.

19.2 The Evaluation Committee will correct any computational errors. When correcting computational errors, in case of discrepancy between a Partial amount and the total amount, or between word and figures the formers will prevail. In addition to the above corrections, activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items.

19.3 In case of Least Cost Selection LCS Method, the bid found to be the lowest evaluated bid shall be accepted.

19.4 In case of Quality and Cost Based Selection QCBS Method the lowest evaluated Financial Proposal (Fm) will be given the maximum financial score (Sf) of 100 points. The financial scores (Sf) of the other Financial Proposals will be computed as indicated in the Data Sheet. Proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; $T + P = 1$) indicated in the Data Sheet: $S = St \times T\% + Sf \times P\%$. The firm achieving the highest combined technical and financial score will be invited for negotiations.

19.5 In the case of Fixed-Budget and Quality Based Selection, the Procuring Entity will select the firm that submitted the highest ranked Technical Proposal.

Section 2. Information to Consultants - Data Sheet

20. Negotiations

20.1 Negotiations will be held at the date and address indicated in the Data Sheet. The invited Consultant will, as a pre-requisite for attendance at the negotiations, confirm availability of all Professional staff. Failure in satisfying such requirements may result in the PE proceeding to negotiate with the next-ranked Consultant. Representatives conducting negotiations on behalf of the Consultant must have written authority to negotiate and conclude a Contract.

21. Technical negotiations

21.1 Technical Negotiations will include a discussion of the Technical Proposal, the proposed technical approach and methodology, work plan, organization and staffing, and any suggestions made by the Consultant to improve the Terms of Reference. The PE and the Consultants will finalize the Terms of Reference, staffing schedule, work schedule, logistics, and reporting. These documents will then be incorporated in the Contract as "Description of Services". Minutes of negotiations, which will be signed by the PE and the Consultant, will become Part of Contract Agreement.

22. Financial negotiations

22.1 If applicable, it is the responsibility of the Consultant, before starting financial negotiations, to contact the local tax authorities to determine the tax amount to be Paid by the Consultant under the Contract. The financial negotiations will include a clarification (if any) of the firm's tax liability, and the manner in which it will be reflected in the Contract; and will reflect the agreed technical modifications in the cost of the services. Consultants will provide the PE with the information on remuneration rates described in the Appendix attached to Section 4 (i.e. Financial Proposal - Standard Forms of this RFP.

23. Availability of Professional staff/experts

23.1 Having selected the Consultant on the basis of, among other things, an evaluation of proposed Professional staff, the PE expects to negotiate a Contract on the basis of the Professional staff named in the Proposal. Before contract negotiations, the PE will require assurances that the Professional staff will be actually available. The PE will not consider substitutions during contract negotiations unless both Parties agree that undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If this is not the case and if it is established that Professional staff were offered in the proposal without confirming their availability, the Consultant may be disqualified. Any proposed substitute shall have equivalent or better qualifications and experience than the original candidate and be submitted by the Consultant within

Section 2. Information to Consultants - Data Sheet

the period of time specified in the letter of invitation to negotiate.

24.1 After completing negotiations, the Procuring Entity shall award the Contract to the selected Consultant within seven days after letter of acceptance or award has been issued. Procuring Entity shall publish on the website of the Authority and on its own website, if such a website exists, the result of the bidding process, identifying the bid through procuring identifying number, if any and the following information, evaluation report, form of contract and letter of award, bill of quantity or schedule of requirement, as the case may be. However, the procuring entity shall announce the final results of a bid evaluation giving justifications for acceptance or rejection of bids at least ten days prior to the award of a contract and place the same on its and authority website.

24.2 After publishing of award of contract consultant required to submit a Performance security at the rate indicated in date sheet.

24.3 The Consultant is expected to commence the assignment on the date and at the location specified in the Data Sheet.

Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the Consultants who submitted the Proposals or to other Persons not officially concerned with the process, until the publication of the award of Contract. The undue use by any Consultant of confidential information related to the process may result in the rejection of its Proposal.

APPENDIX. Financial Negotiations - Breakdown of Remuneration Rates

(Not to be used when cost is a factor in the evaluation of Proposals)

1. Review of Remuneration Rates

1.1 The remuneration rates for staff are made up of salary, social costs, overheads, fee that is profit, and any premium or allowance Paid for assignments away from headquarters. To assist the firm in preparing financial negotiations, a Sample Form giving a breakdown of rates is attached (no financial information should be included in the Technical Proposal). Agreed breakdown sheets shall form Part of the negotiated contract.

1.2 The PE is charged with the custody of funds from Government of Khyber Pakhtunkhwa and is exacted to exercise prudence in the expenditure of these funds. The PE is, therefore, concerned with the reasonableness of the firm's Financial Proposal, and, during negotiations, it expects to be able to review audited financial statements backing up the firm's remuneration rates, certified by an independent auditor. The firm shall be prepared to disclose such audited financial statements for the last three years, to substantiate its rates, and accept that its proposed rates and other financial matters are subject to scrutiny. Rate details are discussed below.

(i) Salary

This is the gross regular cash salary Paid to the individual in the firm's home office. It shall not contain any premium for work away from headquarters or bonus.

(ii) Social Costs

Social costs are the costs to the firm of staff's non-monetary benefits. These items include, *inter alia*, social security including Pension, medical and life insurance costs, and the cost of a staff member being sick or on vacation. In this regard, the cost of leave for public holidays is not an acceptable social cost nor is the cost of leave taken during an assignment if no additional staff replacement has been provided. Additional leave taken at the end of an assignment in accordance with the firm's leave policy is acceptable as a social cost.

(iii) Cost of Leave

The principles of calculating the cost of total days leave Per annum as a Percentage of basic salary shall normally be as follows:

$$\text{Leave cost as Percentage of salary} = \frac{\text{total days leave} \times 100}{[365 - w - ph - v - s]}$$

¹ Where w = weekends, ph = public holidays, v = vacation, and s = sick leave.

Section 4 - Financial Proposal - Standard Forms

It is important to note that leave can be considered a social cost only if the PE is not charged for the leave taken.

(iv) Overheads

Overhead expenses are the firm's business costs that are not directly related to the execution of the assignment and shall not be reimbursed as separate items under the contract. Typical items are home office costs (Partner's time, no billable time, time of senior staff monitoring the project, rent, support staff, research, staff training, marketing, etc.), the cost of staff not currently employed on revenue-earning projects, taxes on business activities and business promotion costs. During negotiations, audited financial statements, certified as correct by an independent auditor and supporting the last three years' overheads, shall be available for discussion, together with detailed lists of items making up the overheads and the Percentage by which each relates to basic salary. The PE does not accept an add-on margin for social charges, overhead expenses, etc., for staff who are not Permanent employees of the firm. In such case, the firm shall be entitled only to administrative costs and fee on the monthly Payments charged for subcontracted staff.

(v) Fee or Profit

The fee or profit shall be based on the sum of the salary, social costs, and overhead. If any bonuses Paid on a regular basis are listed, a corresponding reduction in the profit element shall be exacted. Fee or profit shall not be allowed on travel or other reimbursable expenses, unless in the latter case an unusually large amount of procurement of equipment is required. The firm shall note that Payments shall be made against an agreed estimated Payment schedule as described in the draft form of the contract.

(vi) Away from Headquarters Allowance or Premium

Some Consultants Pay allowances to staff working away from headquarters. Such allowances are calculated as a Percentage of salary and shall not draw overheads or profit.

(vii) Subsistence Allowances

Subsistence allowances are not included in the rates, but are paid separately and in local currency. No additional subsistence is Payable for dependents—the subsistence rate shall be the same for married and single team members.

Standard rates for the Particular country may be used as reference to determine subsistence allowances.

2. Reimbursable expense's

- 2.1 The financial negotiations shall further focus on such items as out-of-pocket expenses and other reimbursable expenses. These costs may include, but are not restricted to, cost of surveys, equipment, office rent, supplies, international and local travel, computer rental, mobilization and demobilization, insurance, and printing. These costs may be either unit rates or reimbursable on the presentation

Section 4 - Financial Proposal - Standard Forms

of invoices, in foreign or local currency.

3. PE Guarantee

- 3.1 Payments to the firm, including Payment of any advance based on cash flow projections covered by a PE guarantee, shall be made according to an agreed estimated schedule ensuring the consultant regular Payments in local and foreign currency, as long as the services proceed as planned.

- 4) Carry out detailed design of the Project components including dam embankment, spillway, irrigation conduit, intake and outlet structures, irrigation network, road and buildings etc including the prospects of future raising of the Dam.
- 5) To determine capital cost, recurrent cost estimate of various components of the project using current schedule of rates or any other approved by Government of Khyber Pakhtunkhwa and workout total cost for development of the site into a public benefit scheme.
- 6) To carry out economic & financial analysis for the individual site to find its economic and financial parameters such as Costs, Benefits, EIRR, FIRR, Cost Benefit Ratios, NPV, NPW. etc. etc. and to carry out the sensitivity analysis therefor.
- 7) To Prepare draft design report, specification, tender drawings and bid documents in required No. of copies and after approval by the client, proceed to the next step.
- 8) To Prepare and submit Final design report, specification, tender drawings and documents in required No. of copies and after approval by the client, proceed to the next step.
- 9) To prepare a comprehensive Operation and Maintenance Manual for Kharoba Small Dam and its irrigation system, based on the approved detailed design and construction drawings. The manual shall provide clear guidance for reservoir filling and drawdown, regulation of irrigation releases, and operation of spillway and outlet structures under normal and flood conditions. It shall include inspection and maintenance procedures

for dam embankment, spillway, outlet works and irrigation channels alongwith safety and emergency measures for operators. The manual shall also include procedure for monitoring instruments such as piezometers or staff gauges.

10) To Prepare draft Revenue chakbandi for the irrigation system.

11) To submit complete Detail design and calculations of all components of Dam to the client in hard and soft format.

12) To Prepare construction schedule and cash flow.

13) To prepare Draft PC1 in required No. of Copies and after approval by the client, proceed to the next step.

14) To prepare Final PC1 in required No. of Copies.

Note: *Payment to the consultants for the Physical works such as Survey, Geo-technical investigation and other investigations will be made as per actual work done at site on the unit rate quoted by the consultants while other payments shall be made in accordance with the Schedule of Payments contained in the ToRs. Furthermore, provisional sums shall be made as per invoice of the concerned agency.*

REPORTING AND DOCUMENTATION

1. Five (5) sets of all deliverables will be submitted by the consultants along with any additional copies if required by the client. They will also prepare the presentation both in soft and hard form as required by the client.
2. Intellectual property rights related to the deliverables. The project work and all associated information are the property of the client, and it should not be shared with anyone outside the organization without prior approval.

TECHNICAL AND FINANCIAL WEIGHTAGE

The Technical and Financial Weight-age would be 80:20

KEY PERSONNEL TO BE EVALUATED

The following Key Personnel of the firms shall be evaluated for the qualification and experience etc. during the evaluation process;

Key Staff	
1	Project Manager/Team Leader
2	Structural Design Engineer
3	Hydraulic Design Engineer
4	Hydrologist
5	Geotechnical Engineer
6	Geologist
7	Irrigation Engineer

EVALUATION CRITERIA OF PROPOSALS

Proposals of consultancy firms will be evaluated according to the government approved criteria. broadly it shall be as under

S.No	Description	Maximum Marks
A	Qualification & experience of technical key personnel	50
B	Experience of firm	30
C	Work Plan/Manning schedule & methodology	20

PROJECT DURATION: (08) Eight Months

TYPE OF CONTRACT

The contract shall be on lump sum basis, however, the cost of physical works shall be paid on quoted contract price for BOQ items. The provisional sums shall be paid on invoiced value of the concerned agency.

MODE OF PAYMENT:

Feasibility Study

- i- Establishment of office and start of field activities = 15%
- ii- Upon submission of Inception Report = 10%
- iii- Upon Submission of Survey/Geotechnical &
Geophysical studies Report in hard and soft copies =25%
- iv- Upon Submission of EIA/IEE report & NOC of EPA =05%
- v- Upon Submission of draft feasibility report =20%
- vi- Upon Submission of Final Feasibility Report =20%
- vii- Upon Submission of PC-I on Feasibility level design =05%

Note:

The mode of payment indicated is tentative subject to alteration and is not to be considered as the cost of any activity, but it is progressive payment for the facilitation of the consultants.

2. Detail Design

- i- Upon completion of Topographic Survey, field investigation, Additional Geotechnical Investigation if required and submission of report thereof (As per actual work done) =30%
- ii- Upon Submission of draft design report, draft construction drawing, tender documents and specification documents. =25%
- iii- Upon Submission of final detail design report, construction drawing, tender drawing, tender documents and specification documents. =25%
- iv- Upon Submission of final PC-I in required No. =20%

Qualifications and Experience of Consultant's Key Personnel

Consultants will assign adequately qualified key personnel to carry out the implementation of the Project as described in TOR, man-month inputs for which are indicated above. The key personnel should possess the qualifications and experience as indicated against each position.

Project Manager/Team Leader

- Should have at least a bachelor's degree in civil engineering from a recognized university. Additional qualification will carry extra marks
- Should be able to lead the team of consultations and assist Small Dams Organization in timely completion of the services with quality output.
- Overall experience should be 20-years with 10-years in design related activities and 05-years as Team Leader for the Projects.

Structure Design Engineer

- Should have Master degree in Structural Engineering from recognized university.
- Post Master qualification in related discipline will be given additional weight age.
- Should have at least overall experience of 15-years with 04-years' experience in exposure to the design of dams, spillways, intake structures etc.

Hydraulics Engineer

- Should have Master degree in Hydraulics from recognized university.
- Post Master qualification in related discipline will be given additional weight age.
- Should have at least overall experience of 15-years with 04-years' experience in exposure to the design related activities.

Hydrologist

- Should have Master degree in Hydrology/WRE from recognized university.
- Post Master qualification in related discipline will be given additional weight age.
- He should have at least overall experience of 15-years with 05 years' experience in exposure to the related activities.

Geotechnical Engineer

- He should have Master in Geo-tech Engineering from recognized university.

ANNEXURE-III

I. DETAIL FOR (GEO-TECHNICAL INVESTIGATION)

1. DRILLING

Core drilling in all kind sub-surface formation, vertical and angle hole (at five locations).

- a. Abutments & Nullah Bed = 05 holes
- b. Spillway fall = 3 holes (crest, fall & exit)
- c. Upstream of main Dam axis in Nullah bed (300-500 meter u/s of the main center line of dam body.

NOTE:

All the bore holes shall be selected in consultation with the Engineer for the project. All kind of drilling activities/sub-surface investigations should be supervised by an experienced Geologist.

DRILLING MACHINE

Straight rotary rig (Portable)

HOLE DIA

N-Q size (76 mm inner dia)

CASING

Drilling through casing in overburden materials, using casing shoe bit (101 mm inner dia)

DRILLING DEPTH

- a. Both Abutments: - Height of dam.
- b. Nullah bed: - Up to top bed rock +5 meter penetration in bed rock or equal to Dam Height or at least 1-1/2 times the base width of Dam.
- c. Spillway: - At least 5 Meter penetration in bed rock.
- d. U/s of Dam body: At least 20 meter deep & if rock encountered at shallow depth then 6-meter penetration in bed rock.

DRILLING FLUID

Plain water is allowed whereas bentonite is not allowed as a drilling fluid, however cement can be used as per site condition and as per instructions by the client.

Deputy Director

FIELD TEST

- (a) At constant head (03-meters interval depth)
- (b) At falling head (03-meters interval depth)

Calculation of K Values

- ii. Water pressure test/LUGEON test at 03-meters interval.
- iii. Collection of UDS by Shelby/Denison/Pitcher sampler.
- iv. Standard penetration tests SPT using split spoon sampler.
- v. Assessment of %age core recovery.
- vi. RQD assessment.
- vii. Water samples collection.
- viii. Preservation of core samples in core boxes.
- ix. Preservation of soil samples in plastic jars.
- x. SPT, CPT or Denison test as per encountered sub-surface formation at 1-1.5 meters interval depth or as directed by the site Engineer/Geologist.

Preservation of rock core samples in core boxes, labeling packing and storage along with transportation of core boxes to core shed as directed by Engineer.

Transportation of selected rock core samples for testing to CMTL Laboratory WAPDA Lahore for the required test.

Taking of water samples from the bore hole and transportation to CMTL Laboratory WAPDA Lahore for chemical analysis.

Installation of 3-inch dia PVC pipe in line the drilled hole as a piezometer and or sounding purpose.

Excavation of test pits at 4-locations 6×6 feet up to maximum 15-feet deep below ground level or up to the bed rock/ground water, including back filling of pits to original ground level.

Collection of composite bulk samples from test pits including their labeling, packing, storage and transportation to testing Lab, CMTL, WAPDA Lahore.

Excavation of trenches 3-5 feet/up to bed rock and 10-feet long including back filling of the trenches to original ground condition.

Collection of disturbed samples from trenches including their labeling, packing, storage and transportation to testing lab, CMTL, WAPDA Lahore.

Providing photographs of core and core boxes.

CONTRACT

THIS CONTRACT ("Contract") is entered into this *[insert starting date of assignment]*, by and between *[insert PE's name]* ("the PE") having its principal place of business at *[insert PE's address]*, and *[insert Consultant's name]* ("the Consultant") having its principal office located at *[insert Consultant's address]*.

WHEREAS, the PE wishes to have the Consultant Performing the services hereinafter referred to, and

WHEREAS, the Consultant is willing to perform these services,

NOW THEREFORE THE PARTIES hereby agree as follows:

1. Services

- (i) The Consultant shall perform the services specified in Annex A, "Terms of Reference and Scope of Services," which is made an integral Part of this Contract ("the Services").
- (ii) The Consultant shall provide the reports listed in Annex B, "Consultant's Reporting Obligations," within the time Period listed in such Annex, and the Personnel listed in Annex C, "Cost Estimate of Services, List of Personnel and Schedule of Rates" to Perform the Services.

2. Term

The Consultant shall perform the Services during the period commencing *[insert start date]* and continuing through *[insert completion date]* or any other period as may be subsequently agreed by the parties in writing.

3. Payment

A. Ceiling

For Services rendered pursuant to Annex A, the PE shall pay the Consultant an amount not to exceed *[insert amount]*. This amount has been established based on the understanding that it includes all of the Consultant's costs and profits as well as any tax obligation that may be imposed on the Consultant.

C. Payment Conditions

Payment shall be made in *[specify currency]*, no later than 30 days following submission by the Consultant of invoices in duplicate to the Coordinator designated in Paragraph 4.

4. Economic Price Adjustment

In order to adjust the remuneration for inflation, a price adjustment provision has been included if the contract has duration of more than 18 months or if the inflation is expected to exceed —% Per annum. The adjustment will be made every 12 months after the date of the contract for remuneration. Remuneration will be adjusted by using the relevant index as Per following provision: "Payments for remuneration made in accordance with Clause 3 shall be adjusted as follows:

Remuneration pursuant to the rates set forth in Annex C shall be adjusted

Khyber Pakhtunkhwa Public Procurement Regulatory Authority

applying the following formula:

$$Rl = Rlo \times Ilo$$

where *Rl* is the adjusted remuneration, *Rlo* is the remuneration Payable on the basis of the rates set forth in Annex C for Payable remuneration, *I* is the official rate of inflation for the first month for which the adjustment is to have effect and, *Ilo* is the official rate of inflation for the month of the date of the Contract."] (Deleted)

**5. Project
Administration**

A. Coordinator

The PE designates Mr./Ms. [insert name] as PE's Coordinator; the Coordinator shall be responsible for the coordination of activities under the Contract, for receiving and approving invoices for Payment, and for acceptance of the deliverables by the PE.

B. Timesheets

During the course of their work under this Contract the Consultant's employees providing services under this Contract may be required to complete timesheets or any other document used to identify time spent, as instructed by the Coordinator.

C. Records and Accounts

The Consultant shall keep accurate and systematic records and accounts in respect of the Services, which will clearly identify all charges and expenses. The PE reserves the right to audit, or to nominate a reputable accounting firm to audit, the Consultant's records relating to amounts claimed under this Contract during its term and any extension, and for a period of three months thereafter.

**6. Performance
Standard**

The Consultant undertakes to perform the Services with the highest standards of professional and ethical competence and integrity. The Consultant shall promptly replace any employees assigned under this Contract that the PE considers unsatisfactory.

7. Confidentiality

The Consultants shall not, during the term of this Contract and within two years after its expiration, disclose any proprietary or confidential information relating to the Services, this Contract or the PE's business or operations without the prior written consent of the PE.
